

Life's Plans Interrupted

We've spent a few evenings watching old Andy Griffith shows, enjoying the peaceful events of another time. But one thing I have noticed is that when Barney Fife makes plans, they don't often work out. He shows Opie tricks with a slingshot and breaks the bookcase glass. He often accidentally locks himself in the jail. Barney's plans are often interrupted.

Isn't that the same for us? Our life plans are often interrupted. Losing a job or having to move alters what we had planned for ourselves and families. A loved one's sudden passing or a cancer diagnosis can feel like it's the end of your world. A pandemic can literally stop everyday life as we know it.

Life's interruptions are not a surprise for our Creator. He is looking however to see how you will react. Panic? Fear? Worry? Or do you draw closer to Him, knowing He is sovereign? His Word tells us "It is the Lord who goes before you. He will be with you; He will not leave you or forsake you. Do not fear or be dismayed." (Deuteronomy 31:8) Depend on our Lord who has His perfect plan for you.
